## We take the scenic route Flight Paths

Fly with us over some of the most pristine and stunning landscapes in the world. You'll experience hidden alpine lakes, steep and jagged mountain peaks, untouched glaciers and lush rainforests. Your pilot will point out these gems and provide informative commentary along your journey.

Browse our flight paths below.

Please note, flight paths may vary due to weather given we are flying in an alpine environment.

See our website for more information, our cancellation policy and our terms and conditions.

“Must do experience if you are visiting Queenstown - you won't see anything else like it.”
