

SAFETY INFORMATION

Destination | Milford Sound

Before Your Flight

Your lanyard shows which aircraft you will be flying on today. Please keep it visible at all times.

You can use the bathroom now. After that, please wait in or around the lounge for your pilot.

On the Airfield

Always stay close to your pilot. Always stay on the yellow path.

No phone use on the airfield. Your pilot will tell you when it is safe to take pictures.

VERY IMPORTANT

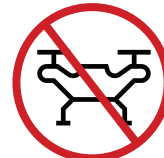

No hot drinks on the plane.

No Smoking on or near the plane.

Do not touch the plane. Some parts are extremely hot.

No drones allowed in Queenstown or Milford Sound.

If you have any questions, please ask our team.

Your Flight

The flight to Milford Sound takes about 35 minutes each way.

When you arrive, your pilot will let you know when and where it is safe to take photos.

Your Boat Cruise

Your pilot will take you to the boat terminal to check in for your cruise.

Please use the bathroom on the boat, as you will go straight back to the plane after the cruise.

Return to the Plane

After your cruise, go to the boat terminal building. Look to the left of the exit doors.

Your pilot will be waiting there to guide you back to the plane.
