

SAFETY INFORMATION

Destination | Mt. Cook

Before Your Flight

Your lanyard shows which aircraft you will be flying on today. Please keep it visible at all times.

You can use the bathroom now. After that, please wait in or around the lounge for your pilot.

On the Airfield

Always stay close to your pilot. Always stay on the yellow path.

No phone use on the airfield. Your pilot will tell you when it is safe to take pictures.

VERY IMPORTANT

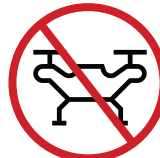

No hot drinks on the plane.

No Smoking on or near the plane.

Do not touch the plane. Some parts are extremely hot.

No drones allowed in Queenstown or Mt. Cook.

If you have any questions, please ask our team.

Your Flight

The flight to Mt. Cook takes about 1 hour each way.

When you arrive, your pilot will let you know when and where it is safe to take photos.

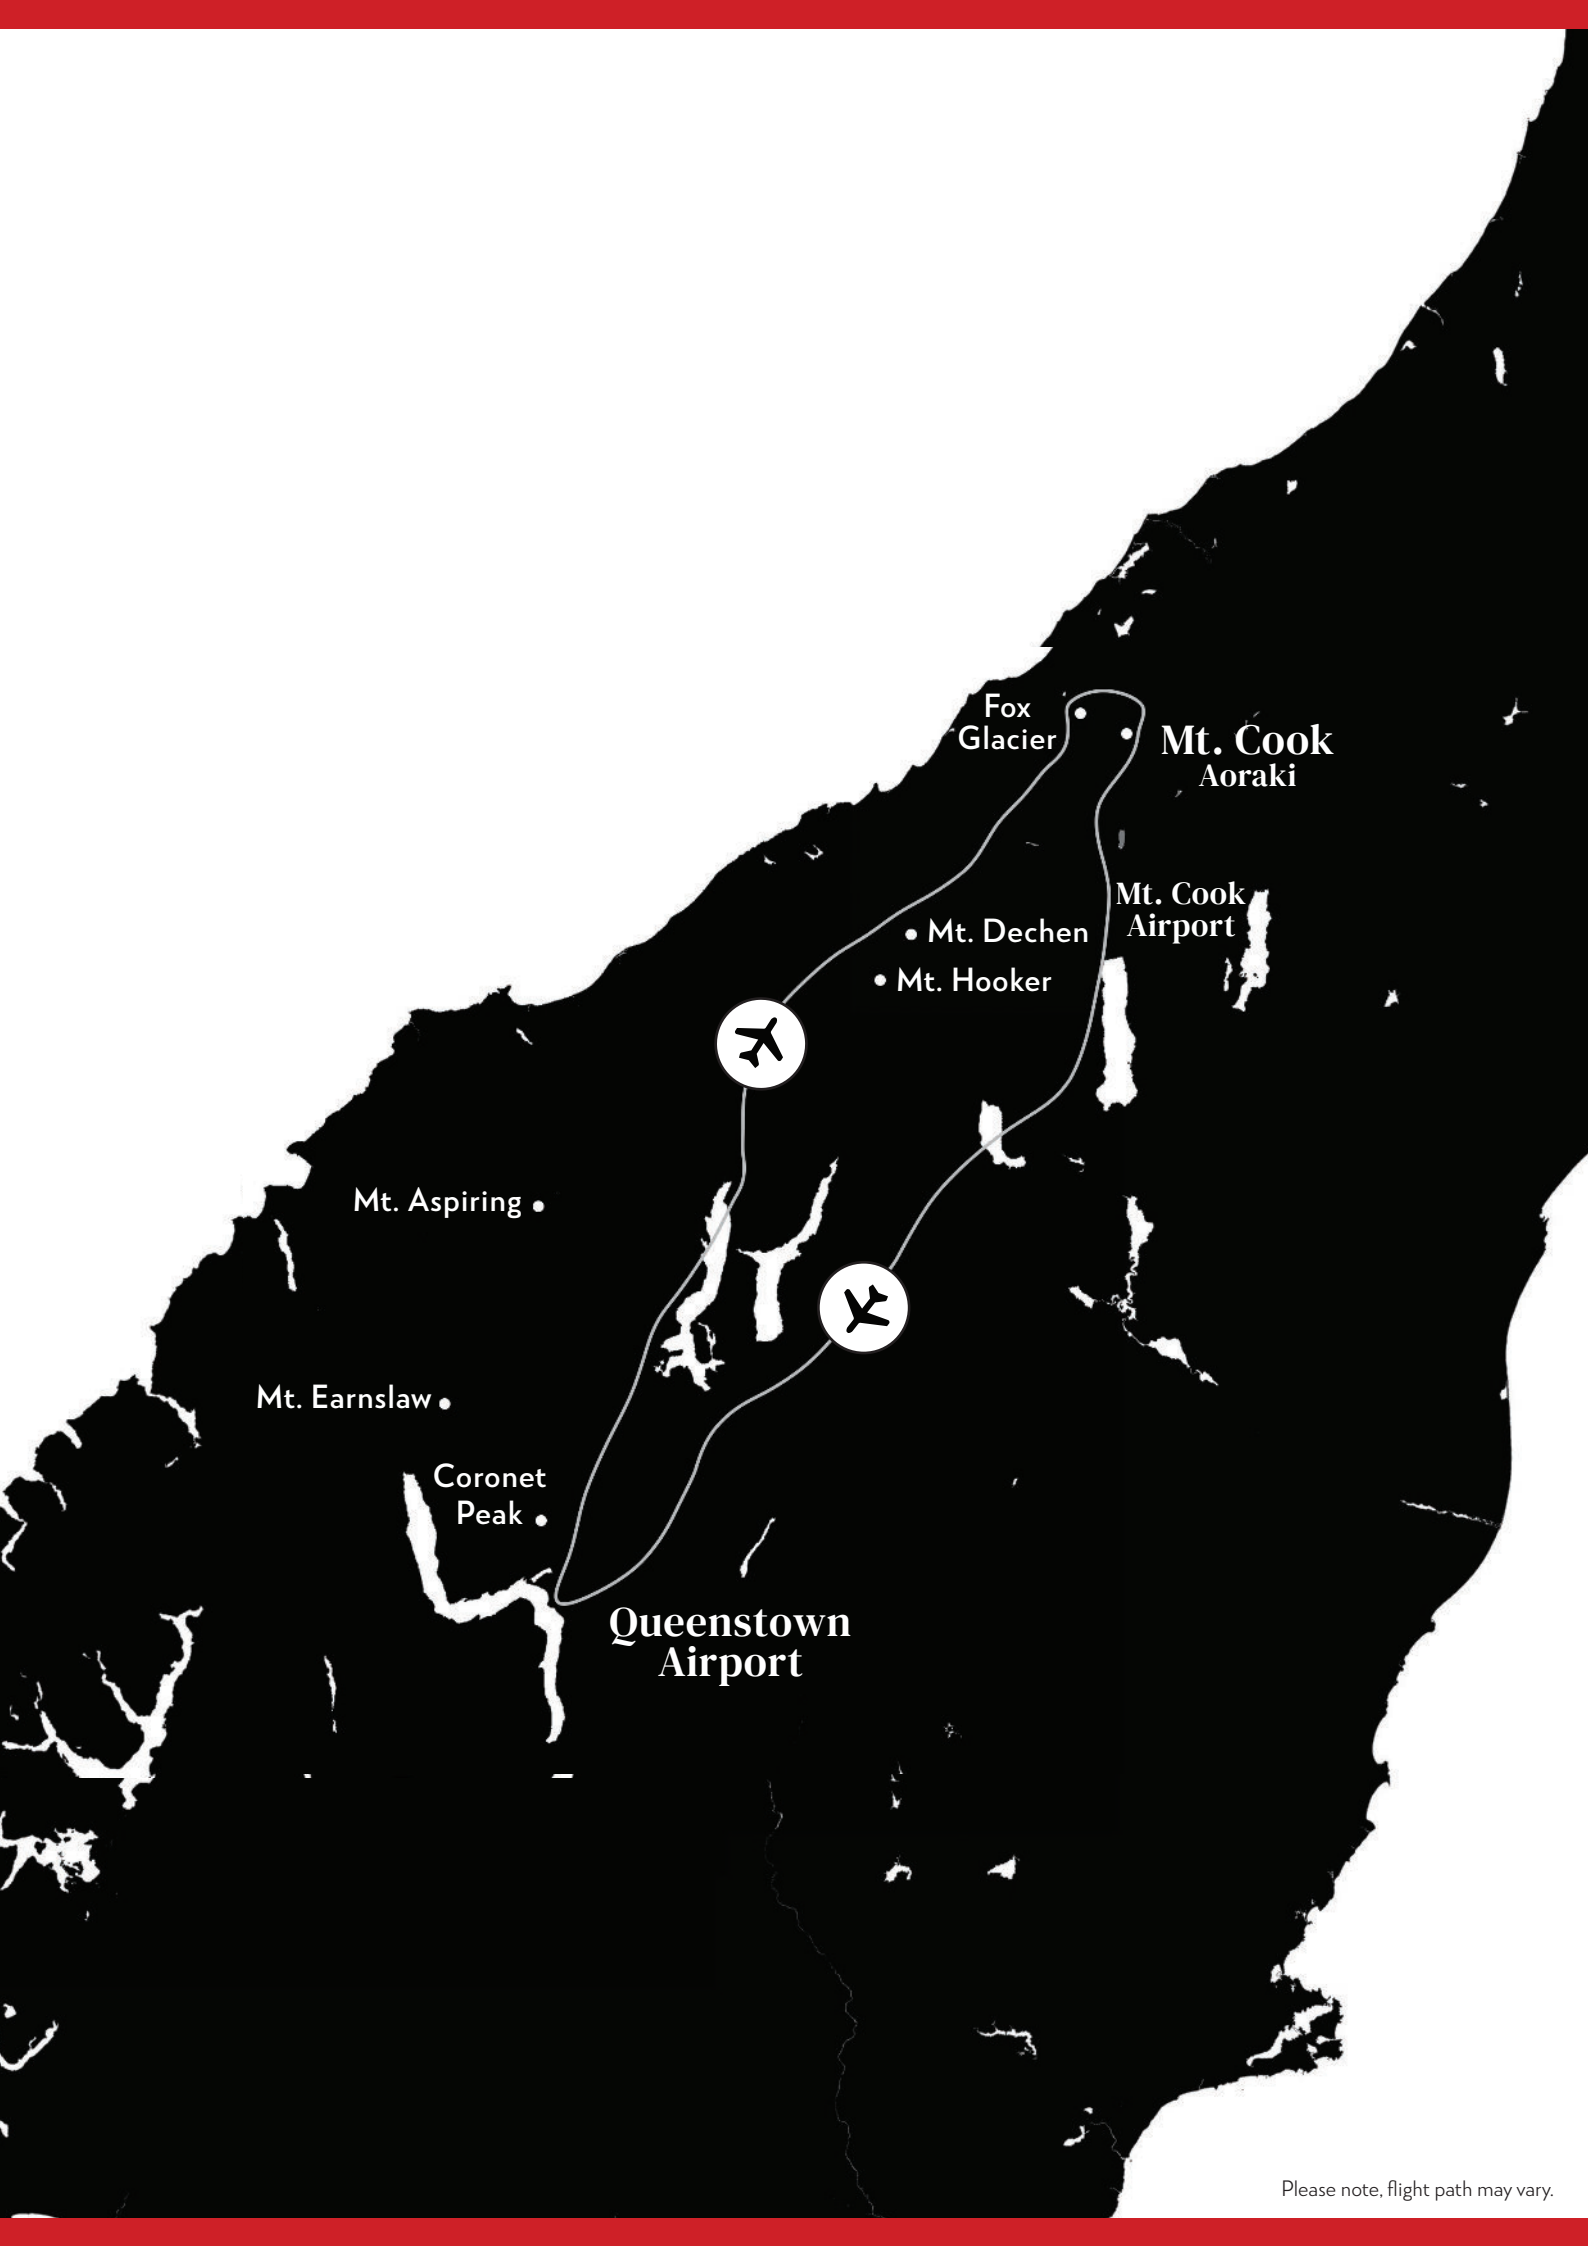

At Mt. Cook

Your pilot will take you to your booked activity.

For those on our Mt. Cook Fly | Explore | Fly, please refer to the map given to you at check in.

Return to the Plane

After your activity, your pilot will pick you up and take you back to the airport. If you are already there, your pilot will meet you to guide you back to the plane.
