

SAFETY INFORMATION

Destination | Stewart Island

Before Your Flight

Your lanyard shows which aircraft you will be flying on today. Please keep it visible at all times.

You can use the bathroom now. After that, please wait in or around the lounge for your pilot.

On the Airfield

Always stay close to your pilot. Always stay on the yellow path.

No phone use on the airfield. Your pilot will tell you when it is safe to take pictures.

VERY IMPORTANT

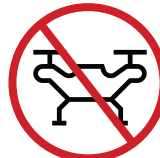

No hot drinks on the plane.

No Smoking on or near the plane.

Do not touch the plane. Some parts are extremely hot.

No drones allowed in Queenstown or Stewart Island.

If you have any questions, please ask our team.

Your Flight

The flight to Stewart Island takes about 1 hour each way.

When you arrive, your pilot will let you know when and where it is safe to take photos.

At Stewart Island

Your pilot will take you to your booked activity.

Your pilot will provide directions upon arrival in Stewart Island.

Return to the Plane

After your activity, your pilot will meet you and arrange transport to take you back to the airport.
